Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Monday 04 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny in west, a few wintry showers in east.

Today:
The west will be mostly dry with some sunny spells. Bright in the east but with a few passing showers these wintry on high ground. Risk of ice early and late.

Tonight:
Further mostly light showers in the east and into the Central Belt, with some light snowfall possible on high ground, risk of ice. Clear and mainly dry in the west.

Tuesday:
Still a few light showers towards the east coast, wintry where they edge inland, but most inland and western areas will be dry with some sunshine. Light winds.

Outlook for Wednesday to Friday:
Largely dry and sunny on Wednesday but rain, sleet or snow in the evening. Sunshine and a few wintry showers on Thursday and Friday morning, becoming dry later.
